SIDDHARAJSINH CHAUHAN

Web developer

Profile

I'm a skilled web developer with 2 Years of experience and passion for creating dynamic and user-friendly websites. With expertise in ReactJs, I enjoy turning concepts into elegant and functional solutions. Known for my problem-solving skills and attention to detail, I thrive in fast-paced environments where I can contribute to impactful projects and collaborate with diverse teams.

EXPERIENCE

ZealousWeb Technologies
Web Developer
April 2022 - Present

Starting as a .NET Developer at ZealousWeb, I honed my skills in backend development and gained valuable experience in building robust and scalable applications. As I delved deeper into web development, I transitioned to JavaScript and embarked on a journey to master ReactJS.

Aark Infosoft PVT. LTD.
ASP.Net Developer
November 2021 - March 2022

As a .NET Developer at Aark Infosoft, I played a pivotal role in web development projects, contributing to the design, implementation, and maintenance of .NET-based applications.
